

BARNES SCHOOL & JUNIOR COLLEGE, DEVLALI
CIRCULAR NO 07 / 2020-2021

Monday, 8th June 2020

Dear Parents,

With Lockdown 4.0 being lifted gradually, we can see **LIGHT** at the end of the tunnel, due to which we would like to inform you that school will **BEGIN FUNCTIONING SOONER** than you think, despite the **WRONG INFORMATION** you might have received from **FALSE SOURCES** and hence we would like you to be **MENTALLY PREPARED** when school reopens after the lockdown.

The only **PERMANENCE** we have in our lives is **CHANGE** and I must inform you that we must **EMBRACE IT** the best we can, as we will have to live with a lot of them, particularly in school life, in days to come.

May I mention that due to the **NECESSITY** of **SOCIAL DISTANCING**, we will be **COMPELLED** to **INCREASE** the number of **SECTIONS** in each **CLASS**. Owing to this phenomenon, the school has decided that we will be **DOING AWAY** with **ACADEMIC GENERAL PROFICIENCY PRIZES** for the sections. However, in order to continue **RECOGNIZING EXCELLENCE**, the **TOP 10% to 15%** of the students in each class who receive **PRINCIPAL'S HONOURS** will **CONTINUE** to be **FELICITATED** by the school.

I must also inform you, when the **NEW SECTIONS** are made, they will be made by virtue of **SCHOOL POLICIES**, and will not be **NEGOTIABLE**.

Barnes School & Junior College would like to condole with Mrs. Anju Sunil Andrews, and her two children, Joel Sunil Andrews (Grade IV) and DANIEL SUNIL ANDREWS (Prospective Student) on the sudden and tragic demise of their beloved husband and father, **MR. SUNIL ANDREWS**, on 13th May 2020.

As a school, we pray that God will grant the departed soul peace and the bereaved family strength to overcome this irreparable loss.

FEES PAYABLE

Many of our parents are wrongfully claiming on Social Media that they have been asked not to pay fees.

Please be informed, nowhere in the Government's guidelines and GR has it been said that parents do not have to deposit fees.

I would request you to not to fall victims by following wrong and false information.

The details of fees that are payable are clearly demarcated below.

In relation to **FEES PAYABLE** by parents **AT THE MOMENT**, with reference to GR dated 8th May 2020, please be informed that you are **LIABLE TO PAY**:

1. Tuition Fees
2. Term Fees
3. Science Lab. Fees
4. Examination Fee for Grades X & XII (as and when required)

When **SCHOOL REOPENS** and is operational, you will be requested to pay:

1. Activity Fee, which covers Physical Education, Music, Dance and cost for running of school functions
2. School Diary, Hymn Book etc.

Please understand the **COST FOR SCHOOLS** has **MULTIPLIED** due to the online classes (with expenses for **SOFTWARE PACKAGES** going up due to the school providing **ONE OF THE BEST** comparable online classes) and increased expenses owing to reduction in number of students, in sections. Further, we might be **FORCED** to conduct the classes **SHIFT-WISE**.

Obviously, there will be an **INCREASE** in the **RECRUITMENT** of **EXTRA MANPOWER**, both Teaching and Non-Teaching, due to these changes.

SCHOOL CIRCULARS

Parents, please be informed that those of you who **DO NOT RECEIVE** our **CIRCULARS** are requested to **VISIT** our **WEBSITE**, www.barnesschool.in, and read the circulars posted regularly and which are **PERMANENTLY UPLOADED**.
