**CIRCULAR NO 4 / 2022-2023**

Tuesday, 10<sup>th</sup> May 2022

Dear Parents,

I am pleased to inform you that SpellBee International, a transnational educational organization that has revolutionized the way English is being taught by applying its unique learning model, SLEP (Strategic Language Enhancement Programme) to impart English language skills in the form of 15 rounds of SpellBee International Competition, has proposed to begin its programme (SLEP) for students of Grades 1 to 12.

Contestants, apart from learning the spellings of words, will also learn their forms, correct pronunciation, meanings, and word usage in sentences ensuring the holistic understanding and application of the words learned.

SpellBee prepares students for their academic and career success by helping them ace examinations like IELTS, TOEFL etc, and even inspires them to author books & scholarly articles.

The following levels & rounds will be available:

Level 1 (L1)	Level 2 (L2)	Level 3 (L3)	Level 4 (L4)
Inter-School	Regional / State	National	International

Model 1 (SpellBee Intense) includes all 4 levels @ Rs. 4,900/-, while Model 2 (SpellBee Excel Plus) offers Level 1 only @ Rs. 690/-.

We would be grateful if those parents interested in enrolling their child / children for SpellBee's Strategic Language Enhancement Programme could kindly get in touch with the Junior School Supervisor, Mrs. Leona Kingsellers, so as to give us an idea about the feasibility of introducing the same at Barnes.

Thank you.

Sincerely,

  
Ainsley Edgar
