

**BARNES SCHOOL & JUNIOR COLLEGE**  
**CIRCULAR NO. 3 (ACADEMIC YEAR 2023-2024)**

Wednesday, 12<sup>th</sup> April 2023

Dear Parents,

Our school is encouraging students of Grades 8 to 12 to opt for an Aptitude Test to be conducted by Viosa Learning, benefits of which include:

1. Right Subject Selection
2. Right Stream Selection
3. Right Career Path Identification

Reports / Feedback about students opting for the Aptitude Test will clearly indicate:

1. Personality Analysis
2. Student Career Interest
3. Career Motivator
4. Learning Style
5. Skill & Abilities

Since our students are moving into that territory where they will have to make major decisions on subject choices, we, as a school, strongly recommend that you register your child for the Aptitude Test, which requires a payment of Rs. 1,300/- to be made to Viosa Learning.

Please get in touch with Miss Shubhangi (9673956509 / 7773984863), our School Counsellor, to register for the Aptitude Test to be conducted on Tuesday, 25<sup>th</sup> April 2023, prior to which a seminar will be held, free of cost, by Viosa Learning, for students of Grades 8, 9, 10 and 12 on Thursday, 13<sup>th</sup> April 2023.

Thank you.

Sincerely,

Ainsley Edgar
