PV/CIR/2023

20th July 2023

To: All Heads of CISCE affiliated Schools.

Subject: Webinar on Robotics & Artificial Intelligence at the ICSE Level.

Dear Principal,

In keeping with the development of technology and the many advancements which have been made in the field together with the recommendations of the National Education Policy (NEP) 2020, the CISCE has introduced the subject '**Robotics & Artificial Intelligence**' at the ICSE Level, under Group III from the Examination Year 2025 onwards.

Thereafter, CISCE has since received numerous queries from Heads of Schools on a wide range of matter relating to the subject, '**Robotics & Artificial Intelligence**'. To competently answer all such queries the CISCE has decided to organize a webinar for Heads of Schools in collaboration with experts from the **I-Hub Foundation for Cobotics – Technology Innovation Hub of IIT Delhi**.

Together we shall endeavour to answer all your queries and clear all doubts relating to the subject, so that many more schools may also opt for the subject, while registering students for the ICSE 2025 Examination.

The details of the webinar are as follows:

Date: 2nd August 2023

Time: 4.00 p.m. to 5:30 p.m.

The link for the webinar will be sent to you a day before the conduct of the event.

We look forward to your active participation in this webinar.

With warm regards,

Yours sincerely,

Gerry Arathoon
Chief Executive & Secretary
