Important notification regarding the ICSE Class X Examinations

Dear Parents,

The ICSE (Class X) 2021 Examination: Given the present worsening situation of the COVID-19 pandemic in the country, the Council for the Indian School Certificate Examinations (CISCE) has decided to **CANCEL the ICSE (Class X) 2021 Examination**. The options given in the mail sent to parents on Monday, 19th April 2021, as presented by the CISCE, now stand withdrawn by the CISCE. The safety & well being of our students and teaching faculty is our topmost priority and of paramount interest.

'A fair and unbiased criterion' and date of result declaration: The CISCE is committed to devising 'a fair and an unbiased criterion' as stated earlier. The criterion on which basis the results will be declared for the ICSE (Class X) students and the date of result declaration will be announced by the CISCE later.

The boarder students of Grade 10 who are in resident will be allowed to continue to reside on school premises, provided they take **admission in Grade 11** (on payment of the Registration Fee of Rs. 2,000/- and clearance of fees for Grade 10, up to April 2021). Parents of other students (who do not wish to continue in Barnes for Grade 11) are requested to make arrangements for their immediate **departure**.

It is likely that we will start the **Grade 11 classes** as soon as possible, as advised by the Council for the Indian School Certificate Examinations.

Thank you.

Sincerely,
Ainsley Edgar
Principal
